

# Moon River

Moon river, wider than a mile  
I'm crossing you in style some day  
Oh, dream maker, you heart breaker  
Wherever you're goin', I'm goin' your way  
Two drifters, off to see the world  
There's such a lot of world to see  
We're after the same rainbow's end, waitin' 'round the bend  
My huckleberry friend, moon river, and me

# Can't Help Falling in Love

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I stay would it be a sin  
If I can't help falling in love with you  
Like a river flows  
Surely to the sea  
Darling so it goes  
Some things are meant to be  
Some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you

Like a river flows  
To the sea  
So it goes  
Some things are meant to be  
Some things are meant to be  
Take my hand (take my hand)  
Take my whole life too (life too)  
For I can't help falling in love with you  
Take my hand (take my hand)  
Take my whole life too (life too)  
For I can't help falling in love with you

No, I can't help falling in love with you  
Falling in love with you

# What a wonderful world – Louis Armstrong

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself  
What a wonderful world  
I see skies of blue and clouds of white  
The bright blessed day, the dark sacred night  
And I think to myself  
What a wonderful world

The colours of the rainbow, so pretty in the sky  
Are also on the faces of people goin' by  
I see friends shakin' hands, sayin'  
"How do you do?"  
They're really sayin',  
"I love you."

I hear babies cry, I watch them grow  
They'll learn much more than I'll ever know  
And I think to myself  
What a wonderful world  
Yes, I think to myself  
What a wonderful world

# Any Dream Will Do - Andrew Lloyd Webber

I closed my eyes, drew back the curtain  
To see for certain what I thought I knew  
Far far away, someone was weeping  
But the world was sleeping  
Any dream will do

I wore my coat, with golden lining  
Bright colours shining, wonderful and new  
And in the east, the dawn was breaking  
And the world was waking  
Any dream will do

A crash of drums, a flash of light  
My golden coat flew out of sight  
The colours faded into darkness  
I was left alone  
May I return to the beginning  
The light is dimming, and the dream is too  
The world and I, we are still waiting  
Still hesitating  
Any dream will do

A crash of drums, a flash of light  
My golden coat flew out of sight  
The colours faded into darkness  
I was left alone  
May I return to the beginning  
The light is dimming, and the dream is too  
The world and I, we are still waiting  
Still hesitating  
Any dream will do

# Oh, What a Beautiful Mornin' – Oscar Hammerstein

There's a bright golden haze on the meadow,  
There's a bright golden haze on the meadow,  
The corn is as high as an elephants' eye,  
An' it looks like it's climbing clear up to the sky.

Oh, what a beautiful mornin',  
Oh, what a beautiful day.  
I got a beautiful feelin'  
Ev'erything's goin' my way.

All the cattle are standin' like statues,  
All the cattle are standin' like statues,  
They don't turn their heads as they see me ride by,  
But a little brown mav'rick is winkin' her eye..

Oh, what a beautiful mornin',  
Oh, what a beautiful day.  
I got a beautiful feelin'  
Ev'erything's goin' my way.

All the sounds of the earth are like music  
All the sounds of the earth are like music  
The breeze is so busy it don't miss a tree  
And an old weepin' willer is laughin' at me

Oh, what a beautiful mornin',  
Oh, what a beautiful day.  
I got a beautiful feelin'  
Ev'erything's goin' my way.

# Hey Jude – The Beatles

Hey Jude, don't make it bad, take a sad song and make it better  
Remember to let her into your heart, then you can start to make it better  
Hey Jude, don't be afraid, you were made to go out and get her  
The minute you let her under your skin, then you begin to make it better  
And anytime you feel the pain, hey Jude, refrain, don't carry the world upon your shoulders  
For well you know that it's a fool who plays it cool by making his world a little colder

Da da da da da da da da

Hey Jude, don't let me down, you have found her, now go and get her  
Remember to let her into your heart, then you can start to make it better  
So let it out and let it in, hey Jude, begin, you're waiting for someone to perform with  
And don't you know that it's just you, hey Jude, you'll do, the movement you need is on your  
shoulders

Da da da da da da da da

Hey Jude, don't make it bad, take a sad song and make it better  
Remember to let her under your skin, then you begin to make it better  
Na na na na na na na na na na, hey Jude

# Yellow Submarine – The Beatles

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines  
So we sailed up to the sun  
Till we found the sea of green  
And we lived beneath the waves  
In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

And our friends are all on board  
Many more of them live next door  
And the band begins to play

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

As we live a life of ease  
Everyone of us has all we need  
Sky of blue and sea of green  
In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

# Summer Nights

Summer lovin', had me a blast  
(Summer lovin', happened so fast)  
Met a girl crazy for me  
(Met a boy cute as can be)  
Summer days drifting away  
To, uh oh, those summer nights

Well-a, well-a, well-a, uh!

Tell me more, tell me more  
Did you get very far?  
(Tell me more, tell me more)  
(Like does he have a car?)  
She swam by me, she got a cramp  
He ran by me, got my suit damp  
Saved her life, she nearly drowned  
He showed off splashing around  
Summer sun, something's begun  
But, uh oh, those summer nights

Well-a, well-a, well-a, uh!

(Tell me more, tell me more)  
(Was it love at first sight?)  
(Tell me more, tell me more)  
(Did she put up a fight?)  
Took her bowling in the arcade  
We went strolling, drank lemonade  
We made out under the dock  
We stayed out till ten o'clock  
Summer fling don't mean a thing  
But, uh oh, those summer nights

(Tell me more, tell me more)  
(But you don't gotta brag)  
(Tell me more, tell me more)  
(Cause he sounds like a drag)  
He got friendly holding my hand  
Well, she got friendly down in the sand  
He was sweet, just turned eighteen  
Well, she was good, you know what I mean  
Summer heat, boy and girl meet  
But, uh oh, those summer nights

(Tell me more, tell me more)  
(How much dough did he spend?)  
(Tell me more, tell me more)  
(Could she get me a friend?)  
It turned colder; that's where it ends  
So I told her we'd still be friends  
Then we made our true love vow  
Wonder what she's doin' now  
Summer dreams ripped at the seams  
But, oh, those summer nights  
(Tell me more, tell me more)  
More, More

# Hey Jude – The Beatles

Desmond has a barrow in the market place  
Molly is the singer in a band  
Desmond says to Molly, "Girl, I like your face"  
And Molly says this as she takes him by the hand

Ob-la-di ob-la-da life goes on bra  
La-la how their life goes on  
Ob-la-di ob-la-da life goes on bra  
La-la how their life goes on

Desmond takes a trolley to the jeweler's stores  
Buys a twenty carat golden ring (Golden ring?)  
Takes it back to Molly waiting at the door  
And as he gives it to her she begins to sing (Sing)

Ob-la-di ob-la-da life goes on bra  
La-la how their life goes on  
Ob-la-di ob-la-da life goes on bra

In a couple of years they have built  
A home sweet home  
With a couple of kids running in the yard  
Of Desmond and Molly Jones  
(Ah ha ha ha ha ha)

Happy ever after in the market place  
Desmond lets the children lend a hand (Arm! Leg!)  
Molly stays at home and does her pretty face  
And in the evening she still sings it with the band

La-la how their life goes on (Ha ha ha)  
Hey, ob-la-di ob-la-da life goes on bra

A home sweet home  
With a couple of kids running in the yard  
Of Desmond and Molly Jones  
(Ha ha ha ha ha ha ha ha ha)

Yeah, happy ever after in the market place  
Molly lets the children lend a hand (Foot!)  
Desmond stays at home and does his pretty

Take ob-la-di ob-la-da

# I'll be there – Jackson 5

You and I must make a pact,  
we must bring salvation back  
Where there is love, I'll be there

I'll reach out my hand to you, I'll have faith in all you do  
Just call my name and I'll be there

And oh - I'll be there to comfort you  
Build my world of dreams around you,  
I'm so glad that I found you  
I'll be there with a love that's strong  
I'll be your strength, I'll keep holding on - yes I will, yes I will

Let me fill your heart with joy and laughter  
Togetherness, well that's all I'm after  
Whenever you need me, I'll be there  
I'll be there to protect you, with an unselfish love I respect you  
Just call my name and I'll be there

And oh - I'll be there to comfort you  
Build my world of dreams around you, I'm so glad that I found you  
I'll be there with a love that's strong  
I'll be your strength, I'll keep holding on - yes I will, yes I will

If you should ever find someone new, I know he'd better be good to you  
'Cos if he doesn't, I'll be there

Don't you know, baby, yeah yeah  
I'll be there, I'll be there, just call my name, I'll be there

(Just look over your shoulders, honey - ooh)

I'll be there, I'll be there, whenever you need me, I'll be there

Don't you know, baby, yeah yeah

I'll be there, I'll be there, just call my name, I'll be there

# Dancing Queen – ABBA

Ooh, you can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Digging the dancing queen

Friday night and the lights are low  
Looking out for a place to go  
Where they play the right music, getting in the swing  
You come to look for a king

Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music, everything is fine  
You're in the mood for a dance  
And when you get the chance

You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen  
Feel the beat from the tambourine  
Oh, yeah

You can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Digging the dancing queen

You're a teaser, you turn 'em on  
Leave them burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance  
And when you get the chance

You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen  
Feel the beat from the tambourine  
Oh, yeah

You can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Digging the dancing queen

Digging the dancing queen

# (They Long To Be) Close To You - The Carpenters

Why do birds suddenly appear  
Every time you are near?  
Just like me, they long to be  
Close to you

Why do stars fall down from the sky  
Every time you walk by?  
Just like me, they long to be  
Close to you

On the day that you were born  
The angels got together  
And decided to create  
A dream come true  
So, they sprinkled moon dust in your hair  
of gold and starlight  
In your eyes of blue

That is why all the girls in town  
Follow you all around  
Just like me, they long to be  
Close to you

Repeat from on the day that you were born...

End Wa ah ah ah ah  
Close to you

# Happy together – The Turtles

Imagine me and you, I do  
I think about you day and night  
It's only right  
To think about the girl you love  
And hold her tight  
So happy together

If I should call you up, invest a dime  
And you say you belong to me  
And ease my mind  
Imagine how the world could be  
So very fine  
So happy together

I can't see me loving nobody but you for all my life  
When you're with me, baby, the skies will be blue for all my life

Me and you and you and me  
No matter how they tossed the dice  
It had to be  
The only one for me is you  
And you for me  
So happy together

I can't see me loving nobody but you for all my life  
When you're with me, baby, the skies will be blue for all my life

Me and you and you and me  
No matter how they tossed the dice  
It had to be  
The only one for me is you  
And you for me  
So happy together

Me and you and you and me  
No matter how they tossed the dice  
It had to be  
The only one for me is you  
And you for me

So happy together  
So happy together  
How is the weather?  
So happy together  
We're happy together  
So happy together  
We're happy together  
So happy together  
So happy together

# On top of spaghetti

On top of spaghetti  
All covered in cheese  
I lost my poor meatball  
When somebody sneezed  
It rolled off the table  
And onto the floor  
And then my poor meatball  
Rolled under the door.  
It rolled in the garden and under a bush  
And then my poor meatball was nothing but mush  
The mush was as tasty as tasty could be  
And early next summer it grew to a tree  
The tree was all covered with beautiful moss  
It grew great big meatballs and tomato sauce  
So if you eat spaghetti all covered in cheese  
Hold onto your meatball and don't ever sneeze

# I do like to be beside the Seaside

Oh! I do like to be beside the seaside  
I do like to be beside the sea!  
I do like to stroll upon the Prom, Prom, Prom!  
Where the brass bands play: "Tiddely-om-pom-pom!"

So just let me be beside the seaside  
I'll be beside myself with glee  
And there's lots of girls besides,  
I should like to be beside  
Beside the seaside! Beside the sea  
Oh! I do like to be beside the seaside  
I do like to be beside the sea!  
I do like to stroll upon the Prom, Prom, Prom!  
Where the brass bands play: "Tiddely-om-pom-pom!"

So just let me be beside the seaside  
I'll be beside myself with glee  
And there's lots of girls besides,  
I should like to be beside  
Beside the seaside! Beside the sea
